

# CASH SERVICES

**PlusChek® Services.** Fleet One® PlusCheks work like cash and can be used anywhere checks are accepted. They are perfect when funds are needed, but cards aren't available. PlusCheks aren't "live" until you activate them, and can only be used for the exact amount you authorize.

**ATM/Debit Service.** Your drivers can use Fleet One Over The Road (OTR) cards to access cash at any PLUS® Network ATM or Interlink® debit site.

**Cash Advance.** Your drivers can also use Fleet One OTR cards to withdraw cash at truck stops. When an ATM isn't available or a check isn't feasible, funds can be dispatched to a card and authorized for withdrawal at any participating truck stop. Fuel purchase isn't required, so your drivers can simply stop, get the cash they need, and keep on going!

**Factoring.** Fleet One Factoring is a custom accounts receivable financing program designed for transportation companies just like yours. Put Fleet One Factoring to work for you today, and discover a brighter future for your business.

**Accelerated Cash Flow** We work to pay you within 24 hours of buying your approved invoices. Better cash flow means more opportunity. Take advantage of cash discounts from suppliers or extending credit terms to big accounts.

**Powerful Real-Time Reporting** Get daily reports on funded invoices and payments, plus weekly and monthly reports. Visit our website for secure, real-time access to your latest account data.

**Fuel Card Funding** Use Fleet One Factoring to fund Fleet One OTR fuel cards instead of dealing with letters of credit, surety bonds, cash deposits or the credit approval process.

**Flexibility** Improved cash flow gives you more flexibility for opportunities like taking on additional business.

**Peace of Mind** Why worry about paying your bills on time or meeting payroll obligations? You'll have the cash you need to meet the daily requirements of your business.

Fleet One provides you with a variety of ways to obtain the cash you and your drivers need along with 5,600 convenient fueling locations. Fleet One helps you meet the everyday demands of the transportation industry!

Since joining Fleet One we have completely eliminated our downtime due to fuel or cash issues. The ATM and PlusChek features are extremely valuable.
